

ALL-PURPOSE

CLASSROOM

The EDU All-Purpose Bundle

For quick installations using existing infrastructure, such as cable channels or in-wall cabling, the All-Purpose Kit provides everything you need for a seamless setup. Ideal for straightforward deployments, it ensures reliable performance without unnecessary complexity. This solution delivers effective functionality to meet basic connectivity requirements.

HDBaseT Wall Plate Extender Set

PT-HDBT-220WP-TX/RX

The HDBaseT Wall Plate Extender Set is designed for seamless AV and data transmission in classrooms.

It supports HDMI and USB-C signals over distances up to 40m for 4K resolution and 70m for 1080p with bidirectional PoC for a simplified installation.

Featuring 3x USB-A 2.0 KVM ports and USB-C support, it provides versatile connectivity and a mounting concept that lends its self well to the classroom.

HDBaseT KVM

HDBaseT technology over 40m with 4K and 70m with 1080p.

ProAV Mounting

Set with HDBaseT wallplate transmitter and stand-alone receiver.
