

# ESSENTIAL

## CLASSROOM

### The EDU Essential Bundle

The Essential Bundle provides the fundamental features required for a modern classroom, all within a single ProAV mountable enclosure. It includes dual screen outputs: the primary output is designed for the audience, while the secondary output can be configured either as an extended desktop or a mirror of the classroom view. 5Gbps device ports, 100W Power Delivery (PD), and Gigabit Ethernet, completes this package.

### 18G ProAV USB-C Alt-Mode Docking Station

**PT-HUB-100**

The PT-HUB-100 USB-C docking station is perfect for classrooms, offering a durable, tamper-resistant solution. Unlike consumer devices, it provides a seamless plug-and-play experience with a professional-grade enclosure suited to Pro AV standards.

With dual 4K outputs, USB-C 3.2 Gen2 data transfer, Gigabit Ethernet, and 100W power delivery, it supports high-performance connectivity for modern teaching needs, ensuring reliability and versatility in the classroom.

#### ProAV-Montage

Unlike most docks on the market, the PT-HUB-100 can be professionally installed.

#### Full Feature USB-C

100W PD, 10G data, 4K video and Gigabit Ethernet in one ProAV package.

#### UPGRADE OPTIONS

The PM-OFFICE-ST-01 with its screw terminal ensures a secure installation and additional safety.
