

# ULTIMATE PERFORMANCE

## CLASSROOM

### The EDU Ultimate Performance Bundle

Classrooms requiring a complete media experience and versatility for every eventuality are well served by the Performance Bundle. An eye-catching yet robust user interface from the mediahub2 range connects seamlessly to the PT-PSW-21KVM, providing a powerful hub for data and video extension across multiple devices.

#### 2x1 4K 18Gbps Multifunction Presentation Switcher with KVM Set

**PT-PSW-21KVM**

Using a USB-C laptop or desktop PC in a classroom should be seamless. This presentation switcher ensures effortless switching between devices, integration of USB peripherals, control functions, Ethernet, and more. Supporting 4K at 18Gbps, it provides USB Power Delivery up to 60W for USB-C devices. Its versatile USB connectivity accommodates KVM setups, document cameras, and storage devices, all with Plug-and-Play simplicity. The HDBaseT 3.0 receiver extends functionality up to 80 metres, making it a reliable choice for modern classrooms.

#### 2x1 KVM Switcher

Enables quick switching between laptop and desktop PC, without having to change cables.

#### HDBaseT 3.0 KVM

Full-Feature HDBaseT 3.0 technology over 80m with 4K and 1080p.
