## WORKSPACE

DUAL SCREEN

We recommend  
**2x 27"**  
**4K Screen**

### The Executive Package

In a private office, you can take off your headset and turn up the volume. The Executive Package ensures top-notch audio with a powerful dock featuring an integrated speakerphone. The omnidirectional mic captures every word, and the 4K AI camera follows your movements. Enjoy clear sound and dual 4K screens, making remote meetings feel like everyone's in the same room – no need to leave your office.

#### 10-in-1 USB-C Speaker Dock

VL-SD200

The SD200 is fully loaded with plenty of SuperSpeed even SuperSpeed+ ports, Gigabit Ethernet and dual 4K outputs.

Unlike most docking stations though, it comes with a 5W speaker and a quad microphone array. With the Bluetooth function you can even benefit from this pro audio experience on your phone.

#### Portable Meeting

Take SD200 with you and hold a professional conference call directly from your hotel room.

#### Pro Audio Experience

5W speaker and quad array mic give you a meeting room audio experience in your office.
